

Addendum to the Health & Safety Statement

St Conleths CC has prepared a Covid Response plan. This response line is guided by HSE/NPHET and DES advice, specifically the DES document '*COVID-19 Response Plan for the safe and sustainable reopening of Post Primary Schools*'

Examples of specific measures include:

- Induction training for all staff members and students.
- Classroom layout in-line with DES recommendations.
- Movement plan to minimise interaction between large groups.
- Changes to lunch time provision for students and staff.
- Appointment of an 'aide' to assist with preparing school for return.
- Appointment of two Lead Worker Representatives for staff to assist management in overseeing Covid Response plan.
- Classroom allocation to minimise interaction between large groups.
- Additional supervision provision to reinforce best practice control measures.
- Additional cleaning timetables and purchase of additional cleaning products.
- Placement of signage reinforcing best individual practice and movement plan.
- Purchase of additional outdoor furniture to encourage students to take break and lunch outdoors.
- Establishing a protocol for access to school and a contact log to allow for contact tracing of such visitors.
- Establishment of three 'isolation rooms' to allow us to deal with suspected cases of Covid 19.
- Preparation of a plan for dealing with a suspected case of Covid 19.

Ratified by the Board of Management on 20th August 2020
