

25<sup>th</sup> February 2022

Dear Parents/Guardians,

I hope you have all enjoyed the Mid Term break. The Department of Education sent the latest Circular this week in relation to Covid measures in schools.

While all regulations have been lifted the following are still in place.

- Hand sanitisation will continue
- Covid cleaning will continue
- Ventilation will continue

I am proposing that we continue with some protective measures for the foreseeable

- We do not change the classroom layouts for the remainder of the school year if desks are moved for group work etc they are returned to the original set up at the end of class
- The movement plan will stay in place until the end of the year
- Students continue to take their breaks and lunch outside if at all possible.
- The changing rooms for PE remain closed ie students continue to wear PE gear on the day of their PE class (please check your son/daughters timetable).

*In relation to mask wearing I am looking for your cooperation in encouraging your sons/daughters to wear masks for the next few weeks until we see what the levels of Covid are after Mid Term. Before Mid Term there was quite a lot of Covid among the school going age group and we do not want to put anyone at risk on the return to school.*

If you have changed your phone number or email address can you email your details to the school office on [admin@stconlethcc365.ie](mailto:admin@stconlethcc365.ie) Please keep an eye on the Website, Facebook and Twitter over the coming weeks for updates.

Many Thanks and stay safe

Patricia O'Brien  
Principal
